About Us

It is a matter of great pleasure that Department of Electrical & Electronics Engineering of Bhagwant University is publishing this Bulletin as volume VI, where in various activities carried out by Department during the Session 2024-25 are highlighted. This newsletter will provide you with some glimpses of the all round developmental activities of Electrical and Electronics Department in the last few months. We have initiated the present newsletter as an attempt to bring out in new format information regarding different activities and achievements of Electrical and Electronics Department.

Events

Engineer's Day Celebration

We celebrate Engineers Day on the anniversary of the birth of Dr. Moksha Gundam Vishweshwaraya, the most renowned engineer in India, in recognition of their exceptional contributions to the engineering field. Every year, our Department celebrates this day with great enthusiasm. Prof. V.K. Sharma, the Vice Chancellor of Bhagwant University, also highlighted Sir M. Vishweshwaraya's exceptional qualities in his presidential remarks on this auspicious occasion. He also encouraged the students to look up to him as a role model so they can become great engineers with both technical and personal qualities.

The events were organized in Bhagwant University, South Campus, Ajmer. Our department students Mr. Ritik Razak and Ms. Jyoti Shah actively participated in this event under the guidance of Er. Gaurav Mathur, Assistant Professor of Electrical Department and won second prize in power point presentation.
