Sub: Progress Report, Pre-Phd Presentation, Thesis Submission

Dear Research Scholar

Warm Greetings for New English Calendar Year 2016.

Bhagwant University reminds you to kindly send your annual progress report along with prescribed fee in the format available on University website.

Please do not wait for any formal communication in this matter from University side. As and when your work progresses and is complete kindly forward your progress, through supervisor, in terms of research papers, annual reports, thesis, fee paid receipt etc well in time.

Please remember that it is mandatory to give pre-PhD presentation at least three months before final submission of thesis. As and when your guide agrees that the work is complete and you have completed all the formalities prescribed by UGC for submission of thesis, kindly proceed for thesis submission through proper channel. Please do not wait for any formal communication from University on this matter.

Please do not make telephonic enquiries because your file update may not be available instantly on phone. Send your queries only through email. It is a gentle reminder that you must complete your work within five years of registration.

For any pending procedures, kindly send query through email.

Bhagwant University is eagerly waiting for your response and wishes you a happy new year.
