- Timeline schedule of other semester admission can be deduced from the above duration.
- UGC guidelines (two research paper publications) must be completed before thesis submission.
- In case supervisor does not recommend thesis submission, the candidate will be allowed to continue beyond three years by paying a continuation fee of Rs 10000 per annum.
- If a research scholar has to continue registration beyond five years, a continuation fee of Rs 20000 per annum will be applicable.
- If a candidate is unable to submit his thesis before end of 7th year, his registration will be automatically terminated without any notice.
- Any fee once paid is not refundable.
