

Dear All,

Hackathon is organising a event as part of the recruitment drive for internships (Full- Time, Part- Time, Work from home, Work from Office, Pre- Placement Offers) in our institution.

It would be for the students across all streams and studying in any semester. This recruitment drive is also open for ex- students too interested for full time. For details you may refer to: www.11mantras.com

In order to begin with the Hackathon, students need to first signup on there website.

Steps required for the students to register as a separate email to all the students on campus irrespective of the year and across streams whether or not they have been placed.

As a result of signup , the students will be updated about open positions for jobs, internships which they can apply, also students will be updated and will be eligible to attend free training, workshops whenever they are organized.

Following are the steps:

1. To get updates on Hackathon, subscribe to our accounts on Youtube(11Mantras), Instagram(11Mantras),Facebook(11Mantras).
2. Go to <https://11mantras.com> do not use <http://11mantras.com>
3. Website will ask for notifications on the browser, allow notifications.
4. In the signup popup, they need to create an account, mention their Full Name, email id, college name, contact number

Would appreciate if all the students on campus across all years and streams can complete the signup to start the Hackathon process.
